

## **Police and Crime Commissioner for Surrey**

### **Police & Crime Plan 2018-2020**

#### **Tackling Crime and Keeping People Safe**

I will hold Surrey Police to account for preventing and solving more crimes, identifying and tackling their root causes, and pursuing offenders to keep Surrey safe.

#### **Building Confident Communities**

I want to bring Surrey's communities together to work with the public and other public services to solve issues that damage local areas or make people feel unsafe

#### **Supporting Victims**

When people are victims of crime, they need quality and timely support to help repair the harm done and rebuild lives

#### **Preventing Harm**

Together with police and partners I will identify and support vulnerable people in Surrey to reduce harm, and work with those who re-offend to break the cycle of crime

#### **Making Every Pound Count**

I will fight for fair funding for Surrey Police and target resources at the front line

#### **A Force fit for the Future**

I will work with the Chief Constable to ensure that Surrey Police is well placed and properly equipped to meet the challenges of the future
