

Police and Crime Commissioner for Surrey – Decision Making Record

Report Title **Provision of donation of one end of service vehicle**
Decision number: **003/2020**
Author and Job Role: **Rachel Lupanko, Office Manager**
Protective Marking: **Part One**

Executive Summary:

The PCC has received a request to donate one of its fleet vehicles that has reached the end of its service to the 1349 Squadron, Royal Air Force Air Cadets, Woking. The vehicle would be used as safe cadet transport to charity events, military parades, Duke of Edinburgh activities and military training courses and exercises. It would be utilised as a first aid treatment area, staff and cadet welfare area and equipment transportation. The 1349 Squadron, Royal Air Force Air Cadets, Woking is a registered charity organisation which conducts charity fund raising to support their activities and buy essential equipment and is governed by a civilian committee.

There is no initial outlay for this vehicle. It is currently part of the fleet and will be replaced by a new vehicle. The only loss here would be the auction value of the vehicle that is donated which has been estimated to be £1,900. There will be no on-going costs to the police as the vehicle will be gifted to the 1349 Squadron, Royal Air Force Air Cadets, Woking. Once this has happened then the usual agreement is that the vehicle is registered to the Squadron but full ownership is not transferred until 2 full years have passed. This negates any chance of the Squadron simply selling the vehicle on for profit.

There is no request for funding on this report; rather this is a simple request for one ex-fleet vehicle to be gifted to the 1349 Squadron, Royal Air Force Air Cadets, Woking.
