Dear Mr Hurley

Draft Police and Crime Plan

In accordance with the Police Reform and Social Responsibility Act 2011, I write to inform you of the Surrey Police and Crime Panel's recommendations with regard to your proposed Police and Crime Plan.

At the Panel's meeting on 12 March 2013, Members considered your draft Plan, its central priorities and the actions you proposed to take in order to deliver against them. At the request of the Panel you kindly clarified various elements of the Plan and outlined in detail the programme of consultation that had helped guide its development.

Whilst the Panel was supportive of your proposals for Policing in Surrey, particularly your qualitative approach to performance monitoring, it did however make a number of recommendations which I have set out below:

- i. That the Commissioner aims to include all areas of Surrey in any further consultations conducted by his Office.
- ii. That further consideration and emphasis be given in the Police and Crime Plan to how the Police will address issues relating to young people.
- iii. That the Commissioner shares with the Panel his proposals for mystery shopping, with the intention that Members help develop his approach.

On behalf of the Panel I would like to thank you for attending the meeting and I look forward to hearing from you.

Yours sincerely,

Councillor Dorothy Ross-Tomlin
Chairman, Surrey Police & Crime Panel
