

Police and Crime Commissioner for Surrey – Decision Making Record

Report Title: Extension to Contract: Assistant PCC
Decision number: 123/2016
Author and Job Role: Alison Bolton, Chief Executive
Protective Marking: OFFICIAL

Executive Summary:

Jane Anderson is appointed to the role of Assistant Commissioner, Victims. Her role is to ensure that victims and witnesses are at the heart of Surrey's Criminal Justice System – a key priority for the public.

The existing contract with Mrs Anderson is due to expire in April 2016, just before the date of the PCC elections. The PCC does not wish to terminate the current arrangement, but equally does not wish to bind the hands of any new PCC to continue with it. For that reason, it is suggested that the contract with Mrs Anderson should be extended until the end of May 2016. In the event of a change of PCC, this will give a new PCC a short amount of time to review the situation and consider whether he or she wishes to continue with the contract. There is already provision within the OPCC budget for the continuation of this arrangement.
