

Police and Crime Commissioner for Surrey – Decision Making Record

Report Title: New Bank Account for online payments
Decision number: 042/2020
Author and Job Role: Kelvin Menon - Treasurer
Protective Marking: OFFICIAL

Executive Summary:

The PCC is asked to give permission for our existing bank account 'Surrey PCC General Account' to be used to set up an account to enable electronic payments to be accepted

Background

Currently residents can pay for Firearms licenses on line using the "single Online Homes" service. It is intended that this ability to pay online will be extended to Nationalities. This would use the GOV.UK portal using the existing bank account. Electronic payments are not only more efficient but also have lower handling costs compared to cash and cheques.

Recommendation:

It is recommended that the PCC permits the addition of the Surrey PCC General bank account to GOV.UK Pay to facilitate the collection of electronic payments for services for Surrey Police.
