2022/09	<p>Are you aware of the live criminal investigation Ref 6029679/21 being carried out by Hammersmith CID into the Covid-19 vaccines? Have you discussed this as a matter of urgency with the Chief Constable of Surrey, Gavin Stephens? In light of this investigation and the substantial and damning evidence that has been submitted, what immediate action do you and the Chief Constable of Surrey intend to take to protect the public of Surrey from further harm caused by these vaccines?</p>	<p>Having looked into the detail of your email it would be inappropriate for the PCC to make comment on another force's investigation or allegations they have recorded or are dealing with. The vaccine roll-out doesn't fall within the PCC's remit and is a matter for government and health authorities.</p> <p>I would suggest you raise your concerns with the relevant authority. I am afraid that the PCC will not engage further in this matter.</p>

It is clearly in the public interest to ensure that medical cannabis patients are aware of local policies and procedures and can comply accordingly, so that finite police resources are not spent on the avoidable and potentially unlawful arrest of patients in receipt of legitimately prescribed medical cannabis medication (CBPM's).</p>	<p>Information not held by OPCC. 2022/16	<p>There are significant public complaints and media reports dating back to April 2018 regarding long wait times with Surrey Police 101 call handling. Numerous complaints made by Police Panel Councillors directly to David Munro seemingly went unheard. The recent data in my initial email of 29 March speaks for itself. After 4 years of being a PCC target for improvement the system remains an appalling service. Questions raised in my email have not been responded to.</p> <p>I have searched for any information or minutes of any meeting documenting/evidencing the cause of the problems and how any PCC for Surrey has held or attempted to "hold the Chief officer to account". An expression which rings increasingly hollow and meaningless. Please could you assist me further with details of exactly what problems with Surrey 101 have been identified and documented. What written or verbal dialogue has taken place with Surrey Police and what strategies/measures implemented or costed to resolve the problems. What measures has Ms Townsend herself agreed with the Chief Constable to address the issues?</p> <p>I would expect that such information will be contained in official records of meetings by the PCC and I would ask that I be supplied with a copy of all documents dating from April 2018 to date under The Freedom of Information Act which have the Surrey Police 101 call handling issues as their subject.</p> <p>This is a matter of real public concern. Nothing appears to have been done in years. In the interests of openness and transparency of how a PCC holds a Chief Officer to account, please produce to me the evidence to the contrary.</p>	<p>https://www.surrey-pcc.gov.uk/wp-content/uploads/2022/06/2022-16.pdf</p>
