| 1    | Embrace and prioritise conformance and embedding of the Global Internal Audit Standards in the UK Local Government and maximising their potential to benefit the organisation and the internal audit function. |                                    | 30              | 8                   | 8               | 8               | 7               | 9               | 6               |  |
| 2    | Innovate to explore a more agile approach to the audit process, building efficiencies and producing more timely feedback to the organisation.  |                                    | 14              | 19                  | 14              | 11              | 14              | 3               | 1               |  |
| 3    | Further engage with the organisation to enhance and optimise the full potential of data analytics in the internal audit process.   |                                    | 5               | 16                  | 21              | 16              | 13              | 5               | -               |  |
| 4    | To bridge the nationally recognised talent gap in the internal audit profession through effective recruitment, retention and development of a workforce strategy.  |                                    | 11              | 13                  | 6               | 7               | 12              | 12              | 15              |  |
| 5    | Increase communication and awareness of internal audit within the organisation and the services it offers including the enhancement of a web presence on both internet and intranet platforms.                 |                                    | 9               | 10                  | 9               | 12              | 9               | 13              | 14              |  |
| 6    | Optimise the use of internal audit software to further automate the internal audit process creating efficiencies and the real time management information available to stakeholders.                           |                                    | 6               | 5                   | 14              | 13              | 8               | 21              | 9               |  |
| 7    | Optimise the potential of Artificial Intelligence in the delivery of the internal audit service to maximise efficiency, capacity and capability.   |                                    | 1               | 5                   | 4               | 9               | 13              | 13              | 31              |  |

Our survey received 76 responses from a total of 343 recipients (22% response rate)
